

Meeting Is Called To Discuss Signs On Local Highway

Ordinance Would Prohibit Billboard On Scenic Sierra Route

"The Planning Commission of Nevada County has arrived at the conclusion that an ordinance controlling the erection of billboards and other types of roadside advertising signs in Nevada County is an immediate necessity if we are to preserve in a substantial degree, the natural beauty with which our county has been endowed, and which is a major factor in our economy."

The above, in part, is the opening paragraph of a letter from the planning commission to the Sierra Sun enclosing the first draft of a proposed emergency ordinance which is being submitted to the board of supervisors.

A public meeting on the subject of billboards has been called for 7:30 p. m. on December 12, in the supervisors' room of the court house for a full discussion of the proposal, Weston W. Bruner, chairman of the outdoor advertising ordinance committee, announced.

The purpose of the meeting, Bruner wrote, is to give everyone interested an opportunity to express themselves.

"Recognizing the many ramifications of this problem and its importance to the local businessmen, as well as out of state and national advertisers, we would very much appreciate having representation of your group meet with us to discuss this problem and make suggestions for provisions which will, to the greatest degree possible, protect our local interest," Bruner wrote. The letter is scheduled to go to all groups concerned with the problem.

The ordinance is not aimed at prohibiting directional signs or signs displaying the name only of property or premises on which displayed or the owner of lessee thereof or signs advertising the sale of subdivisions and located thereon or adjacent thereto. Nor does it prohibit informational signs of public nature, erected and maintained by an official or civic group.

Signs serving as directional signs to resorts or to institutions of an educational, religious, charitable or civic nature, also would be immune.

The ordinance is designed primarily to prevent cluttering up the freeways and scenic roads of the county with unsightly billboards which would materially detract from one of the county's most valued assets—its scenic beauty.

The immediate adoption of the ordinance by the board of supervisors is urged by the planning commission.

DeMOLAY BOYS VISIT WITH RENO CHAPTER

Under the leadership of Terry Walker, master counselor elect, Tahoe-Truckee Chapter, Order of DeMolay journeyed to Reno last Wednesday.

Highlights of the evening, following a ham dinner, included a second degree program and the presentation of a traveling scroll by the large Sacramento delegation to the Reno chapter with instructions to pass it on to Salt Lake City. It will eventually reach New Jersey.

Bob Forster, Dan Chandler and Bob Kettenhofen received their second degree.

The new advisory staff for the Tahoe-Truckee Chapter includes: Darol McGivon, chairman; Carl Lude, dad adviser; Rex Anderson, Ross Price, Lorin Ferdinand and Ross Laugenour.

Plans have been completed for the initiation of new boys on November 30, and the installation of new officers ceremony on December 10.

The public is cordially invited to attend the installation of officers ceremony at the Masonic Temple commencing at 7:45 p. m. A dance will be held after the reception.

RELIEF PAYMENTS IN COUNTY SHOW GAIN

SACRAMENTO (CNS)—The department of social welfare paid \$1,665,471 in general home relief to 62,784 persons in September.

Payments increased 8.4 per cent over September 1959 and persons aided increased 5.7 per cent over a year ago.

Payments in Nevada County totaled \$1,846, an increase of \$701 over 1959. The department aided 102 persons in the county, 13 more than in 1959.

Rebekah Lodge Is 90 Years Old; Has Party On Birthday

After the regular business meeting held November 9 at the Odd Fellows Hall, the meeting was opened to families and friends of Rebekah and Odd Fellows lodges to celebrate the 90th birthday of Naomi Lodge No. 2.

The local lodge was instituted on November 12, 1870. Many interesting dresses that were in style in 1870 were worn by the members, and the dining room was decorated in an early pioneer decor. A beautiful birthday cake was presented to the Rebekahs by the Odd Fellows.

Hostesses were Katie Fudge, Freda Smith, Callie Kydd, Georganna King and Maggie Avila.

District Deputy Ethel Bishop of Dutch Flat and several members of her lodge drove up for the happy occasion.

Charter Presented To Civil Air Squad

The Truckee-Tahoe squadron of the Civil Air Patrol was presented its charter November 14 by Col. Raymond A. Smith, Nevada Wing commander, during an open house ceremony.

The new squadron is the only California unit attached to the Nevada Wing. Made up of 24 members of the flying club and 17 cadets, the group owns two aircraft and is headed by Lt. John Houlgate.

First lieutenant ratings were awarded to the commander, the chaplain, Roy Rhoades; the legal officer, Robert Fugazi; and the medical officer, Ben King.

Members of the wing staff attending the meeting held at Tahoe-Truckee High School were: Majors Jean Purinton and Myra McCue, Captains Bruce Barnum, Nate Hurst, Don Purinton, and Gordon Melcher, and Lt. William Thorpe and Senior Member John Reinhold.

THREE ARE INJURED IN TUNNEL ACCIDENT

NORDEN—Three trainmen were injured in a collision of a flanger and a stopped freight train in a snowed nine miles east of here just outside Tunnel 13 above Donner Lake last week.

The Southern Pacific Company announced damage was minor and the collision occurred during a heavy snowstorm at 6:45 a. m. Monday.

The flanger, a device to remove ice and snow from rails, was following the train, which had stopped on interlocking signal. The report said the flanger proceeded at five miles an hour and struck the train.

R. W. Dowdle, 8425 Harper Way, Citrus Heights, conductor of the flanger, suffered fractures of the ribs; C. W. Egan, brakeman, 812 Walker Street, West Sacramento, was bruised and shaken, and C. W. Braden, 324 Grove Street, Roseville, Placer County brakeman, lost two teeth.

No one on the freight train was injured and no delay resulted to traffic.

REQUEST REJECTED FOR TAHOE CASINO

CRYSTAL BAY—The Regional Planning Commission has turned down a request by the Crystal Bay Development Company for permission to build a major hotel-casino at Incline Beach, along the north shore of Lake Tahoe.

The proposal to rezone to allow construction of the hotel-casino was submitted by Raymond M. Smith vice president of the Incline Village Subdivision.

Those opposed to the plan said the request had not been outlined in the master plan covering development of the area.

FIRE SEASON ENDED WITH HEAVY SNOWS

The recent heavy rains and snow in the high country have ended the fire season on the Tahoe National Forest.

Camp fire permits are no longer required on national forest lands, but burning permits as covered by state law are required through November 30.

License Issued—

Merl H. Murphy, 71 of Truckee and Jessie Marra, 63 of New York were issued a marriage license in Nevada.

Home At Donner Is Damaged By Blaze On Friday

Firemen Prevent Big Loss When Guaraldi Home In Damaged

A loss estimated at \$5,000 was caused Friday night about 11 o'clock at the home of Mr. and Mrs. Scendo Guaraldi when fire threatened the entire structure as well as nearby homes. Only the fast and efficient work of the Donner Lake Volunteer Fire Department prevented a more serious blaze.

The Guaraldis, who operate a restaurant in Reno, were absent from home when the fire started. It was believed that a piece of furniture had been left too close to a wall heater causing the blaze.

The owners and guests had occupied the house a few hours before the fire started.

Damage to the house was estimated at \$3,000 and to personal belongings \$2,000. The loss was covered by the State Farm Insurance Company.

The Truckee fire department dispatched men and equipment to the scene on a standby basis and loaned the new exhaust fan which cleared the house of smoke to permit getting at the site of the blaze.

Squaw Contract Is Declared Valid

Attorney General Stanley Mosk considers the Squaw Valley contract awarded to San Francisco contractor William A. Newsom a valid document.

Mosk said in an opinion that no conflict of interest laws were violated in the 2 year contract between the state and Newsom and his partner, John Pelosi, a San Francisco wholesale druggist.

Newsom was awarded the contract for the state built Winter Olympic facilities while serving as a member of the state unemployment insurance appeals board.

State Senator J. Howard Williams of Tulare County, chairman of the senate fact finding committee on natural resources, asked for Mosk's ruling.

The attorney general noted Newsom resigned his state job after the contract was made July 11 and that the state department of natural resources and the division of beaches and parks "were not asking for bids, but soliciting offers."

FUND APPROVED FOR TRUCKEE RIVER JOB

WASHINGTON—A \$2,385,000 flood control project on Truckee River in California and Nevada was one of eight public projects approved this week by the army engineers' review board.

Clearance by the board is the last major obstacle for a proposed project before it is submitted to congress for authorization and appropriations.

The Truckee River project calls for a reservoir on Martis Creek and flood control channel work in Reno.

Total of the eight projects exceeded \$28 million, an army engineers spokesman said.

COUNTY RECEIVES ITS SHARE IN LIQUOR TAX

SACRAMENTO (CNS)—The state department of alcoholic beverage control announced Nevada County has received \$10,903 as its share of alcoholic beverage license fees and fines for the six-month period, March 1-August 31.

This included \$6,280 for the unincorporated area of the county.

The total of \$3,912,129 distributed represented 90 per cent of the license fees and fines (payment for offers in compromise) for the six-month period. The other 10 per cent was retained by the department for administration.

Two Sentenced

Leland Allred, Del Paso Heights was sentenced to 60 days in jail or to pay a fine of \$315 and his driver's license suspended for six months after he appeared before Judge F. W. Wilson on a drunk driving charge last week. Laver O'Dell Allred, of Sacramento was fined \$52.50 or sentenced to jail for ten days for violating the county's sobriety ordinance.

Americans have much to be thankful for on Thanksgiving Day. We have peace, freedom and abundance and have just come through a presidential election which was a test of our institutions and a demonstration of our political maturity. We can, therefore, sit down with peace of mind at tables groaning with turkey, pumpkin pie, mince pie and all the other traditional foods which recreate the fare to which the Pilgrim fathers sat down when they observed the first Thanksgiving Day in 1621. Many Americans think that Thanksgiving Day has been observed regularly in late November ever since but that is not so. For the first century and a half after 1621, the day was observed only locally sporadically in the colonies after a particularly beneficent harvest or a victory over the Indians. The Continental Congress recommended days of Thanksgiving annually during the Revolution and in 1784 for the return of peace. The first presidential proclamation of Thanksgiving Day however came from George Washington who set aside November 26, 1789 to give thanks for the adoption of the Constitution. Observance returned to a local and sporadic nature thereafter for many years. President Madison proclaimed Thanksgiving Day in 1815 for the return of peace after the War of 1812, but it was Abraham Lincoln who established Thanksgiving Day as an annual national event in 1863 with a proclamation setting aside the last Thursday of November each year for its observance. President Franklin D. Roosevelt proclaimed the third Thursday of November 1939, 1940 and 1941 as Thanksgiving Day but Congress then took a hand and by legislative enactment decreed that the fourth Thursday in November, commencing in 1942, should be observed as national public holiday and it has remained there ever since.

TEN YEAR HIGHWAY PROGRAM IN COUNTY TO COST \$34,729,000

SACRAMENTO (CNS)—The state department of public works has reported Nevada County will need \$34,729,000 in work and construction on state highways by 1970.

By 1980, the projected cost for the county would total \$50,257,000. The department made its report to the senate committee on transportation and public utilities. It estimated the statewide highway deficiency by 1970 at \$6,473,829,000 and at \$11,280,699,000 by 1980.

J. C. Womack, state highway engineer, said this was the amount of money needed to make highways in the various counties adequate for the anticipated traffic of 1970 and 1980.

The state highway needs were about evenly divided between the northern 45 and southern 13 counties—with \$3,250,895,000 in the north and \$3,222,934,000 in the south by 1970.

Deficiencies on county roads and city streets were presented to the committee in September.

CIVIL DEFENSE DAY SET FOR DECEMBER 7

The board of supervisors Monday adopted a resolution proclaiming Wednesday, December 7 as National Civil Defense Day.

The proclamation calls upon all citizens to "observe the day by giving proper recognition to the contributions made to our security by the county's present and future plans, and by doing their share to support the civil defense program of our county and nation in order that we may keep peace through preparedness."

NEVADA LICENSES

Marriage licenses issued at Reno recently included one for Glen Jones, of Soda Springs and Bernice Halsey of Emigrant Gap.

Mervyn Albini of Truckee was issued a license to wed Elizabeth Zilles of Mill Valley.

Harold Foote and Daisy White, both of Truckee also obtained a license to marry.

DISTRICT MEETING

KINGS BEACH—A meeting of the North Tahoe Fire Protection District will be held at the fire station in Kings Beach Thursday, December 1 at 8 p. m. Anyone desiring is invited to attend the meeting.

Truckee Youth Is Badly Burned In Electrical Mishap

Floyd Cooper In Hospital After Severe Burns On Power Line

Floyd Cooper, 20, son of Mrs. Orlan Waters of Truckee and an apprentice lineman for the Sierra Pacific Power Company, suffered severe burns on his left arm and leg and is being treated in the Tahoe Forest Hospital in Truckee.

Cooper contacted a high tension wire last Thursday while helping to install new services in the Fulton Estates Subdivision near Dollar Point.

A fellow workman removed him from the pole on which he was working and administered artificial respiration until members of the Tahoe City Fire Department arrived and took him to the hospital.

Doyles Installed As Heads Of Star Here

An impressive ceremony marked the installation Saturday evening of Virginia and Paul Doyle, worthy matron and worthy patron of Order of the Eastern Star, No. 116, for the coming year.

Mr. and Mrs. Wayne Philippi were the installing officers, assisted by Lillian Miller and Miriam Zwarg as installing marshals. James McIver was chaplain; Anita Allison, organist; Terry Walker, flag bearer; Larry Doyle, Bible bearer, accompanied by Tina Gruendeman. Host for the affair was Stanley Zwarg and hostess, Pearl Heller.

Other officers installed were Ruby Faulkner, associate matron; Sam Faulkner, associate patron; Elsa Culbertson, conductress; Phyllis Snyder, associate conductress; Hilda Hintz, secretary; Elmay Philippi, treasurer; Estelle Klitzke, chaplain; Margaret Craig, marshal; Wayne Philippi, organist; Imogene Kimbrough, Ada; Joanne Apichino, Ruth; Drexel Strom, Esther; Carol Lude, Martha; Mildred Johnson, Electa; Pearl Heller, warder; Harvey Klitzke, sentinel; Jerry Culbertson, flag bearer and Lillian Miller, prompter.

The hall was decorated in the chosen shades of the year, emerald green and sky blue, the officers carried a brilliant blue star centered by a cherub, the motif for the year.

Mrs. Allison pleased the audience with a piano solo and later the refreshments was served at tables decorated with blue candles and Christmas holly.

LATE LOCAL MAN IS HONORED IN NEVADA

RENO—A unanimous resolution praising the work of the late John B. Thornton of Fallon, and a former Truckee resident, and especially his interest toward the proposed multi-purpose Washoe project, was passed at a meeting of the Carson-Truckee Water Conservancy District in Reno.

Thornton, widely-known Fallon rancher, was at the time of his death, a director of the district which is now negotiating with the federal government for the \$53,000,000 project.

The resolution pointed out that Thornton "contributed many hours of unselfish devotion to the water problems of western Nevada and his integrity, soundness and progressive thinking played a major part in the progress made toward the objectives of this district and the accomplishment of the Washoe Project."

HELEN HAYES WILL BE ON PHONE HOUR

Helen Hayes, the first lady of the American theater, and screen star Farley Granger will appear together on the Bell Telephone Hour over NBC-TV on Friday, November 25, at 9 p. m.

Both will play the dramatic roles in "The Music of Romance," a special music and drama presentation of incidents from the life of composer Peter Llych Tchakovsky.

GRAND JURY ASKS RAISES FOR BOARD

AUBURN—The Placer County Grand Jury has recommended the county supervisors' salaries be increased to \$6,000 annually and the district attorney's pay raised to a sum comparable to the superior court judges' salaries.

The recommendation was filed with the clerk of the board of supervisors.

Supervisor J. O. Anderson said he is satisfied with the present salary.

The supervisors are receiving \$5,000 and the district attorney \$11,000 annually, while the two superior judges receive \$18,900 a year.

Tim Sullivan Will Head Ski Club At Lake During Year

By Ellen Attardi)
TAHOE CITY—At a meeting of the Lake Tahoe Ski Club board held last Friday night, Tim Sullivan of Squaw Valley was named president of the Lake Tahoe Ski Club. Jim Baker of Tahoe City had been elected to serve as president of the group for this season but resigned the presidency because of a change in his working hours—Jim is now working in the sheriff's department and will continue to be active in club affairs.

Other officers of the club are Ray Fellows, first vice president; Pascal Heuga, second vice president; Dorothy Caulkett, secretary; Max Hoff, treasurer; Lucille Heuga, corresponding secretary; Dinty Moore, permanent director; Dave McBride, competition director; Wayne Poulsen, chief of the hill; Martha Snyder and Chick McBride, program co-chairmen; and Jack Starratt, Bob Stark, Floyd Carnell and Bill Bechdolt, all directors-at-large.

Membership in the club is open to all those who are interested in skiing affairs of the community—individual dues are \$5 for the season while family rates are \$10 for the entire season.

Brooks New Head Of R.A.M. Lodge

Harry E. Brooks of Kings Beach will be installed as high priest of Donner Chapter No. 39, Royal Arch Masons at a ceremony slated for December 14. He will replace Stanley Zwarg, high priest during the past year.

Other R.A.M. officers to be installed for the 1961 term include: John Rayburn, king; William Drullas, scribe; Harry A. Klitzke, Sr., secretary-treasurer; E. E. Thompson, chaplain; O. J. Culbertson, captain of the host; Stanley E. Zwarg, principal sojourner; Edward Aweeka, royal arch captain; Ross Price, master third veil; Albert McEarthren, master second veil; William Zeibig, master first veil; James McIver, sentinel.

RECORD BUCK KILL IS INDICATED FOR YEAR

SACRAMENTO (CNS)—A record buck kill during the 1960 California deer season was indicated today with the tag count running 2,446 ahead of last year and only 1,152 short of the record 1954 kill.

The count, which continues for another month, shows a total of 74,450 buck tags, making it the second best season recorded. In 1954 there were 75,602 bucks downed.

Last year there were 71,904 tags registered with a month of counting to go with 1,579 stragglers in during the final month to bring the total to 73,483 the previous second best year on record.

The final day of counting is December 15.

Doe tags will be counted early in January as one hunt is still in progress in Alpine County.

CHILI LUNCHEON IS PLANNED BY WSCS

The annual chili luncheon combined with a food sale and pre-Christmas bazaar has been arranged by members of the W.S.C.S. and will be held Thursday, December 1 in the basement of the Church of the Mountains in Truckee.

Luncheon will be served from 11 until 2 p. m. and the tables of delicious dishes and attractive merchandise will be ready for sale at 10 that morning, continuing until 4 in the afternoon, according to Mrs. Ben King, chairman of the triple event.

GRAND JURY ASKS RAISES FOR BOARD

AUBURN—The Placer County Grand Jury has recommended the county supervisors' salaries be increased to \$6,000 annually and the district attorney's pay raised to a sum comparable to the superior court judges' salaries.

The recommendation was filed with the clerk of the board of supervisors.

Supervisor J. O. Anderson said he is satisfied with the present salary.

The supervisors are receiving \$5,000 and the district attorney \$11,000 annually, while the two superior judges receive \$18,900 a year.

Details Of Donner Museum Told In Park Prospectus

Many Interesting Items To Be Displayed After Work Complete

State Senator Ronald G. Cameron has again assured the Truckee Donner Chamber of Commerce that he and Assemblyman Paul Lunardi will continue to work toward having the Donner Memorial State Park museum included in the division of beaches and parks' program for construction next spring.

Cameron enclosed a prospectus of the museum which, under a bill introduced by Harold T. Johnson when he was state senator, will cost more than \$200,000.

The museum will be operated by the division of beaches and parks. The prospectus has this to say about the museum:

"Nowhere in our park system or perhaps in the state lies a better opportunity to exhibit to the visitor from out of state the story of our park system and give them a better understanding of the region which plays such an important part in the evaluation of the larger California story.

"Interstate Highway 80 passes near the monument and with the addition of an interpretative museum, a great number of visitors to our state will make their first contact with the park system and philosophy. The site is ideal as most visitors into the area are there for recreational purposes and the museum will meet a need that has not been fulfilled for this area."

The prospectus goes on to say that the park receives a visitation of over 200,000 visitors annually broken down as follows:

Camp 25 per cent; picnic, 7 per cent; roadside rest, 1 per cent; view monument, 52 per cent and miscellaneous, 15 per cent.

At the present time the park has 104 camping units and 39 picnic units.

The museum building will head-quarter the interpretative services—both human history and natural. With regard to the natural history portion of the program, the park itself is the primary exhibit and the museum will supplement the outdoor program.

Exhibits will include a variety of items from Cabrillo in 1542 bestowing the name "Sierra Nevada," to the 1960 Olympic Winter Games at Squaw Valley.

There will be numerous panel displays, paintings, photos and objects, depicting the complete history of the area, the building of the railroad, the Chinese during the summer of 1865 when 20,000 worked on the railroad project over the Sierra, Coburn Station (Truckee) in 1863, the lumbering and mining industries, the Donner tragedy and the present day scene.

There will be large photographs of early day Truckee and the surrounding area with articles and models of historical value.

COFFEE PYRAMID IS DECLARED SUCCESS

The Truckee members of the Tahoe Forest Hospital Auxiliary appreciated the response of the local people and those in surrounding areas which made last Thursday's coffee pyramid such a success. The money realized will be used for the most worthy cause of buying much needed equipment for the hospital.

The organization will meet at 8 p. m. December 6 and anyone interested in joining the group or attending the meeting may obtain information by contacting Mrs. Ray Wisner.

LICENSE RENEWALS DUE FOR DEALERS

Business license renewals for 10,000 California auto dealers and wrecking firms are due on or before November 30. Robert McCarthy, director of motor vehicles, said today.

Application forms were mailed to the group late in October, McCarthy said, and several hundred vehicle manufacturers and transporters were also circulated. A registration fee statement for each vehicle used in business by every dealer was sent out at the beginning of November.

FATE OF CUBS MAY REST WITH MEETING

A Cub Scout Pack meeting will be held at 7:30 p. m. November 28 in the Truckee High School building when it will be determined whether or not the program will be continued, by interest shown by attending parents.

All persons interested in furthering Cub activities are welcome to attend and anyone wishing their sons, over 8 years of age or older to join, must be present at the meeting.

This was a splendid trip, made
in a Pierce-Arrow stage, which hauled
all of eight people, counting
those on the jump-seats. And 11-
year old boys of course, always
sat on the jump seats. In case some
people don't remember jump seats
it was a small seat raised out of
the floor between the plush, leather-
lined back seat and the narrow-
er, but equally comfortable front
seat. The jump seats, of course,
were not upholstered, and neither
were the kids, so at the end of the
trip, it was good to stand up.

BC, before causeway, the easiest
way to get to Sacramento from Win-
ters, in Yolo County, was to hire
a horse and buggy, jog 14 miles
to Davis, whistle stop the train and
ride in style to Sacramento. This
took most of the morning, starting
early.

Consequently, the new causeway,
started two years previous to 1916,
was hailed as the most modern
road in the world insofar as owners
of the early-day automobiles
were concerned. It permitted the
public to travel 30 miles in a
couple of hours, making the trip
that previously took from four to
six hours. Many people thought the
causeway would last for all time to
come!

But in less than 20 years, the
narrow, two-lane causeway was too
small for the traffic, and the state
confronted by the great depres-
sion, decided to pep up the econ-
omy of the Redwood Empire dis-
trict by installing another two lanes.

Hundreds of thousands of feet
of redwood timber were purchas-
ed, the mills hummed and for a
time, things picked up in the north-
west coast.

The two lanes were built entire-
ly of redwood, except for the top.

COUNTY'S TAX RATE RANKS 37 IN STATE

SACRAMENTO — (CNS) — Ne-
vada County's tax rate of \$2.08
ranks it 37th among the 58 coun-
ties for the 1960-61 fiscal year,
State Controller Alan Cranston an-
nounced today.

The county's assessed valuation
of \$41,326,720 ranks it 47th in total
assessed value.
Cranston said the total assessed
valuation for the 1960-61 year in
the state is \$29,600,924,411, up 7.87
per cent from a year ago.

And along side were the old con-
crete piles driven from 1914 to
1916.

And now, in the year 1960, the
old causeway, like old Dobbin, has
served its time. It won't be turned
out to pasture, however, it will be
torn down to make way for the
new highway, a six-lane job, with
provision for a later eight lanes,
which will be constructed slightly
south of the present route.

Although the old causeway con-
tains a lot of memories in the
countless times this writer has
traversed it, like driving across
with only one headlight when the
fog was so thick one couldn't see
a foot ahead, spinning a car around
on a wet surface during a quick
stop, wondering if the overflow
water in the by-pass was going
to sweep the whole structure away,
a long line of automobiles owned
beginning with a Model T etc,
there will be no move on our part
to preserve it as an historical mon-
ument.

For, as Tennyson quotes King
Arthur, "The old order changeth,
yielding place to new." And the
new will serve the public much
better than the old.

TAHOE TRUCKEE SCHOOL NEWS

KINGS BEACH ELEMENTARY

FIRST GRADE: At the last T.P.A. meeting, November 17, Room 4 presented a play entitled "The Parade." The children that participated in the play were Mark Hollander, Mike Fontana, Diane Carrara, Danny Porath, Mike Rich, Moria Price, Sherry Watson, Billy Griest, Suzanne Plunkett, Calvin Felte, Chris Grellman, Kristine Weber, Becky Dunham, Mike Weiss, Gary Gregg and Debby Brockelsby.

FIRST AND SECOND GRADE COMBINATION: These people got 100 per cent in their reading tests: Cyd Moore, Jeff Hoffman, Francie Baxter, Jeff Bracy, Christine Bitler, Debra Bell, Susan Astle and David Briscoe.

SECOND GRADE: This week, our class completed their four newspaper "Second to None". This pamphlet contains at least one story written by each child in our class.

On Wednesday, Jon Jensen went skiing after school.
Lynann Fugazi donated seven

library books to our classroom library.

FIFTH GRADE: Jan Jensen did three experiments with seeds for a science project.

Our class has been enjoying an electric states game made by Bruce Templeton and Darryl Lausche of the seventh grade room.

Janice Wing, Tony Rates, Robert Fugazi, Robert Riggs and Diana Astle made a November bulletin board called "November Embers" for the bulletin board in the hall near the office.

The fifth and sixth grades had music together accompanied on the piano. Mrs. Ferrari has been teaching music in the fifth grade for the past several weeks.

The girls and boys are competing in our room for the most A's in spelling for the second quarter.

FOURTH AND FIFTH GRADE COMBINATION: The fourth grade has a new student, Leon Soren. He moved here from Capitola.

The class officers this week are Ray Manning, president; Sharon Decker, vice president; and Gail Burghardt, secretary.

Gail Burghardt, Alan Von Ruden and Leon Soren made a hundred in spelling.

FOURTH GRADE: Our class is

finishing their study on Indians today. They are giving a Potluck" for their parents. Besides the feast, they are giving a play.

Characters in the play are: Ace and Anna (two wood ducks), Donna Martin and Madelyn Mullis; Chief, Thomas Hull; Council, Tom Lumpkin and Leo Quartly; Young boy, Randy Hiatt; Hunters, Charles Weber, Juan Cole, Ricky Brown and Steve Holley; Indian Women, Candy Ehlers, Sandra Martin, Sharon Roberts Melinda De Silva and Gayle Phillips; Eagle Dance, Kathy Critchley and Ellen Dennis; Rain Dance, Micky Barker, Cindy Plunkett, Jenny Hoffman; Flower Dance, Shelly Wilson, Debbie Hilgesen and Sharon Bell; Neighboring Chief, Woody Biggs; Warriors, Peiter Van Tassel, Jon Beemen, Dennis Belvin, Jack Dwight and Tom Gregg; Shamons, Gary Dobson; Reader, Cathy Ferguson.

THIRD GRADE: Our best spellers this week were: Linda Astel, Dona Lisa Beck, John Gorrindo, Lana Hill, Rhonda Lumpkin, Joan McDonald, Vicki Mollhagen, Gary Price, Sally Templeton, Hazel Wainscoat. Our most improved speller is Judy Hoffman.

SEVENTH GRADE: In our spelling test last week Dale DeSylva, Darryl Lausche, Howard Price,

Bruce Templeton, Stephen Newberry, Phil Thompson, Joanne Ziegler, Bob Mondino, Terry Boatman, Jill DeSylva, Barbara McMillen, Michaela Rates, Larry Tiller and Laura Dwight received above average grades. Paula Martine showed the most improvement.

EIGHTH GRADE: This week we had two new bulletin boards put up, one on science by Angie Granata and Madelyn Kammerer. Another one on Thanksgiving Pamela Simpson.

The next movie will be the Raiders of the Seven Seas and will be shown on December 2.

Bob Holley and Donnie Decker gave a science experiment about how to remove green coloring from leaves.

Kent Fugazi and John Wainscoat also put on an experiment.

TAHOE LAKE SCHOOL KINDERGARTEN: The following children told interesting make believe stories about our friend Zip in the Weekly Reader Surprise: Diana Hammer, Sandra Keechler, Billy Richardson, Charles Wirtz, Patrick Becholdt, Lisa Vanni, Tamara Tanner, Eva Call and Kathryn Larson.

FIRST, SECOND AND THIRD COMBINATION: Gus Swigert, Marlene Milligan, Leslie Massey, Gary Mullen, Cathy Menges, Sandy Poulsen, John Scoville, Vaughn LaTour and David Kraka received 100 in spelling this week.

FIRST GRADE: The following first graders made perfect scores on reading vocabulary tests: Jeff Ballenger, Karen Mullen, Cynthia Ables, John Attardi and Sheryl Walling.

SECOND GRADE: The class wrote a composition on what they were thankful for. Those writing the best papers were: Jimmy Phelan, Nikki Ballenger, Carl Ruhkala and Yvonne Baker. Most of the class have started new readers and they are doing a good job.

Twenty children made 100 per cent in their three weeks review spelling test.

THIRD GRADE: The children in Mrs. Longs third grade have divided into teams for their arithmetic and spelling. Sally Starratt and Doug Lindsey are captains. The team receiving the most perfect papers for each assignment wins. Sally's team is ahead since Ricky Holley, James Long, Mark Davis and Christina Keehn have been receiving so many 100 per cents.

FOURTH GRADE: Ann Wincenciak, Mike Dempsey, Camille Shirley, Linda Grice, Eric Poulsen, Mark Sullivan and James Orr received A's in the weekly arithmetic test.

FIFTH GRADE: Original plays on colonial history were written by Anna Marie Connors, Denise Henrikson and Barbara Nielsen. Barbara Nielsen presented her play to the district wide, teachers' language arts meeting and was a 'smashing' success and received many compliments.

SIXTH GRADE: Those students who received "A's" on their report cards in reading, spelling and arithmetic were: Holly Wall and Jon Caulkett.

SEVENTH GRADE (Mr. Hawk): Those who received extra credit for teaching arithmetic were: Joyce Anderson, Allie Cushing, Lyn Dutton, Linda Hammer, Kristin Meixner, Kathy Wilson, Roger Kahn and Chris LaTour.

New Year's Day, 1890—Pasadena inaugurated the Tournament of Roses

GOLDEN MOMENTS

In California history—world-wide publicity quickly turned the Tournament of Roses into a standout New Year's attraction!

In California life—today, another standout attraction is beer, the beverage of moderation. Beer means enjoyment . . . prosperity. Last year California brewers paid over \$107 million for state and federal taxes—another reason why beer means better living for all in the "Golden State."

CHRISTIAN SCIENCE
Meets at Wyethia Clubhouse, Truckee.

Everyone Welcome
Sunday School: 9:30 a. m.
Morning Services: 11 a. m.
A special Thanksgiving service is announced by the Truckee group of Christian Scientists for 11 a. m. on Thanksgiving day.
Open to the general public, the

service will be held in Wyethia Club. No collections of any kind are to be taken at this service.

Expressions of praise and gratitude to God will be read from the Bible and also from "Science and Health with Key to the Scriptures" by Mary Baker Eddy in a lesson-sermon for the day entitled "Thanksgiving."

The Golden Text is from Revelation (7:12): "Blessing, and power, and might, be unto our God for ever."

The latter portion of the service will be devoted to voluntary expressions of gratitude by members of the congregation for God's goodness shown in spiritual growth, healings, and other blessings.

Plans for an active skiing and social season are being made by the Squaw Valley Ski Club with the first event taking place Sunday, November 27, in the form of a turkey trophy race at Squaw Valley. There will be men's and women's races for Class A, B and C skiers with awards being given for first, second and third places. Entries for this event will be taken until 8 a. m. the day of the race.

In charge of this season's activities for the Squaw Valley Ski Club are Paul Arthur, president; John Buckman first vice president; Bill Leutwyler, treasurer; Dorothy McCaskie, social chairman; Bob Bacon, publicity chairman. Other offices will be filled at a meeting to be held this week at the Bear Pen in Squaw Valley.

The club meets the second and fourth Tuesdays of each month.

STRIKES & SPARES

BY JOE WILMAN

CAN YOU HOOK WITH THAT WRIST?

Some high-scorers prefer to hook by applying some right-to-left wrist turn, just as the ball passes the left foot. But the question you must ask yourself is "Just how much wrist turn should I apply to get these same results?"

Unfortunately, there is no set amount to recommend. It will vary for each person and also for the amount of hook desired. Slick lanes or one with plenty of oil or dressing so reduce the ball's hooking action that more wrist turn will be needed.

But, dry or running lanes so increase the hooking action that if less wrist turn is not used on such lanes, the ball gutters half-way down the alley.

A bowler will have to experiment a bit with his delivery to see just how much wrist turn he can control. If he also uses a strong finger lift, he may not need as much turn. If the ball doesn't come up enough into the 1-3 pocket, try applying a bit more turn. If it comes up too high on the nose, cut down on the turn.

The one common point for all wrist turning is to make sure that turn is not applied until the ball is passing the left foot. Check the illustration. This is the only point where wrist turn should be applied. Applying the turn too soon can reduce its effectiveness.

Another suggestion is to keep the speed of your ball consistent. More turn will produce more hook only if the speed of the ball remains the same. But always remember, if you can't control it, don't put it on!

SUMMIT WEATHER

Nearly five inches of heavy wet snow fell on Friday, to bring the City.

Larry, Rosemary, Doug and young Larry Lindsey, of Comstock Acres, are vacationing in the southlands this week. The boys plan to take in a bit of skiing at Mammoth.

The November Tahoe Lake PTA meeting was held last Wednesday night at the Tahoe Lake School. The group voted to accept the budget as presented by Betty Jorgensen and Bea Lyons, co-chairmen of the budget committee. It was also voted to supply labor and material needed to build portable stage equipment for the school. Presiding at the meeting was Max Hoff, assisted by Secretary Glenn Meixner. A committee of three, Orville Ingram, Max Hoff and Ernie Marier was selected to study school needs.

At the conclusion of the business meeting, a winter clothing exchange sale was held. The door prize of the evening went to Ernie Marier.

Jack, Betty, Ann and Sally Starratt are visiting with the Richard Lee family in Lincoln for the Thanksgiving holiday.

Very active use of the Tahoe Lake School gymnasium facilities is being made these cold winter nights. Men volley-ballers are playing on Monday and Friday nights while the basketballers give it a whirl on Tuesday and Thursday nights. Jim Reynolds is active with the volley ball group and among the "hot shots" in basketball are Ernie Marier, Carl Cordes, Archie Scott, George Barth and Woody Burris. Both groups meet from 7 to 9:30 p. m.

seasonal total to 66 inches. There were 34 inches of snow on the ground at Soda Springs on Monday morning. The temperatures for the week ending November 21 dropped to 16 on both Tuesday and Wednesday mornings, and rose to a maximum of 46 on Sunday.

SKI NEWS

Both the Soda Springs Ski Corporation and the Donner Ski Ranch reported good crowds of skiers over the weekend, and also that the snow was excellent considering the early opening date. There

was an ample snowcover at the Soda Springs hill where the J-bar, T-bar, and chairlift were operating. They were skiing from the top of the Ski Ranch's chairlift. A few members of the clubs located on the summit were up, but the majority of the skiers were up for a single days looksee at the early season opening.

UTAH STATE UNIVERSITY

Utah State University, with its best football team in recent years, defeated College of Pacific 45-6 a week ago last Saturday. Paul and Zona Madden, both state alumni, drove to Stockton for the game. Although Utah State is a Skyline Conference rival of my alma mater at Colorado State University, I hated to hear Utah State lose its first game of the season last Saturday to Utah University, although State has clinched a tie for the Skyline Conference title.

AUDUBON SOCIETY MEETING
Helen McCarty flew to and from New York City to attend the annual meeting of the National Audubon Society held there recently. Helen, who is very interested in the conservation of our mountain plants and animals, over the year has developed a small sanctuary for birds and small animals at her home. The National Audubon Society's summer science camp, in session each summer in the summit area, regularly schedules field trips to Helen and Rays home as part of their natural science teaching.

HOSPITAL AUXILIARY

The summit area participation in the Tahoe Forest Hospital Auxiliary's coffee pyramid fund raising drive last week was very successful, as \$25 was turned over to the Truckee Chapter by Betty Hampton, Maggie Avila and Zona Madden. The object of the drive was to provide additional emergency equipment for the Tahoe Forest Hospital, with the final selection dependent upon the success of the fund raising campaign.

BOY SCOUTS

The formation of a summit area Scout troop is drawing nearer, as the boys are receiving required preliminary training from Frank Zoll. Nine boys met at the Zoll's last Saturday afternoon. The meetings are planned to be each Saturday afternoon at the Zoll's from 2 until 4, except on holiday weekends such as Thanksgiving.

VISITORS

A family with four skiing children spent the weekend with Maggie and Milt Avila as Dr. and Mrs. John R. Jenkins were up from Santa Rosa. Dr. Jenkins, who is completing the Warwick Memorial Hospital in Santa Rosa, served on the ski patrol at the Soda Springs ski area.

TAHOE FOREST DINNER

The personnel of the Tahoe National Forest enjoyed their annual dinner dance at the Gold Center Club in Nevada City last Saturday night. Well over a 100 people were in attendance from the supervisor's office in Nevada City and from the ranger districts of Truckee, Big Bend, Camptonville, Downieville, Sierraville, Forest Hill and Nevada City. Arrangements for the evening were under Paul Madden's direction.

SKI RANCH STAFF NAMED

Manager Norm Saylor of the Donner Ski Ranch announced that the only fully certified ski school in the summit region will be under the direction of Lee Yit of Lodi, who will be assisted by Edwin Aro of Soda Springs, Bob Cameron of San Francisco, Roger Bonnett of Sacramento, and Kenny Kaneda of San Jose. These instructors are each certified by the Far West Ski Association. The lift facilities and ski schools will be in operation each weekend, and possibly on Wednesdays. The lodge at the present time will be open for breakfast and lunch only.

Bundle days started again last week at Tahoe Truckee. President of student council, Joann Pomin said that all types of warm clothing are needed for this worthy cause. The class who brings the most clothing will be given a party.

A sportsmanship trophy was ordered this week by G.A.A. President Ellen Rich. The trophy will be a revolving one among the classes. It will be given to the class showing good sportsmanship, fair play, and school and class spirit each year.

Teams from seven high schools in Nevada and northern California participated in a sportsday held at Douglas Saturday. Tahoe Truckee's eight senior girls played seven games, losing only one to Douglas and tying them for first place. There was an exhibition game between the physical education teachers and the University of Nevada officials with the faculty winning both games.

The senior physics class measured horsepower Friday. The following scores were determined: Brian Calhoun, 1.10; Greg Wainwright, 1.30; Cynthia Reynolds, .36; Joann Pomin, .65; Dan Chandler, .28; (with crutches), and Quinton Kay, .98.

MEDICAL AIDMEN AND NURSES of the U. S. Army's Strategic Army Corps (STRAC) assist Chilean refugees into an ambulance airlifted to the stricken country almost immediately after the disaster began. Doctors, nurses, aidmen, engineers, interpreters, helicopter pilots and many other soldiers immediately answered the alert and flew to Chile for a practical demonstration of American friendship.

DONNER DOINGS

By VIRGINIA O'BEAR

Everyone this week will be busy fixing those Thanksgiving goodies and having their families and friends in on Thanksgiving Day. Such ideal weather we have been having, too, which will give all of us more of an appetite. I hope everyone has an enjoyable holiday and gives a thought or two why we are celebrating this day.

Mr. and Mrs. William Stark with sons Terry, Tim, Patrick and Billy will enjoy a Thanksgiving dinner with the Roger Brown family before they leave that day to make their home in Oregon. Bill has been in Oregon working for several weeks now and the family will join him there for the winter, returning here in the spring so Bill can continue work on the Prosser Dam project.

Dr. and Mrs. Charles Widenmann came up the past weekend from Vallejo. Margaret's recent illness has shown improvement, but the high altitude doesn't agree with her so they are considering selling their "vacation home."

Mrs. Virgil Harris recently celebrated her birthday with a family get-together and received many lovely gifts. Her son Willie came up from Sacramento for the occasion and spent the weekend, which was quite profitable for him as he worked the chain control.

The Donner Lake Volunteer Fire Department called a special meeting last Thursday night for a fire drill. These firemen have been meeting quite often to go over the equipment and keep it in excellent running order. I think the summer residents who read this column will be happy to know that our firemen at Donner Lake are right on their toes and that their homes are being protected while they are away.

The Ladies Auxiliary of the Donner Lake Volunteer Fire Department met last Thursday night and hostesses Marcella Corro and Alice Strobel had the tables decorated beautifully with the Thanksgiving theme. A very interesting meeting followed the dinner and a delightful Christmas party is being planned by hostesses Laura Horman, Charlotte Harris and Helen Doolittle. The members voted to go out of town via bus, it will be very different and a lot of fun. More particulars will follow in a later column.

FOREST SERVICE TO EXPAND RESEARCH

Congressman Harold T. (Bizz) Johnson revealed that the forest service is planning to expand its research on the proper amounts of timber which should be harvested from forests.

Congressman Johnson had discussed this matter with the forest

service, noting that he felt improvements could be made in the allowable cut computations although he recognized that additional research will be required before this can be accomplished.

The congressman told Forest Service Chief R. E. McArdle that he hoped the additional research could be funded in the 1962 budget now being compiled by the department.

"You have made it very apparent to us," McArdle wrote the congressman, "that you are interested in forest service problems and constructively concerned about finding better ways to do the work. We greatly appreciate this constructive attitude."

Have a nice Thanksgiving.

THANKSGIVING

Thanksgiving is a special day for all. I am sure that each of us have something to be thankful for and should express our Thanks. We are grateful for all our many friends and especially that we live in this great country of ours. We say, "Praise God From Whom All Blessings Flow."

CRYSTAL BAY CLUB

Yes, one of our favorite clubs is starting to remodel, but as far as we are concerned it is tops as it is. The club will close soon and we understand will open in time for a big New Year's Eve party.

RECUPERATING

Mrs. George Harrison, sister-in-law of the Sam Harrisons of Kings Beach, underwent a very serious operation at a Reno hospital. We understand that she is recuperating very nicely. It is also good to learn, that George Harrison, her husband is steadily improving from a heart attack he suffered a few months ago while visiting in Kings Beach.

JUST A THOUGHT

Learn to greet your friends with a smile. They carry too many frowns in their own hearts to be bothered with any of yours.

ELECTRICAL SYSTEM AT INCLINE VILLAGE

CRYSTAL BAY—Starting of construction this week on an extensive electrical distribution system marked another milestone in the development of Incline Village, new residential and resort development on Nevada's north shore of Lake Tahoe.

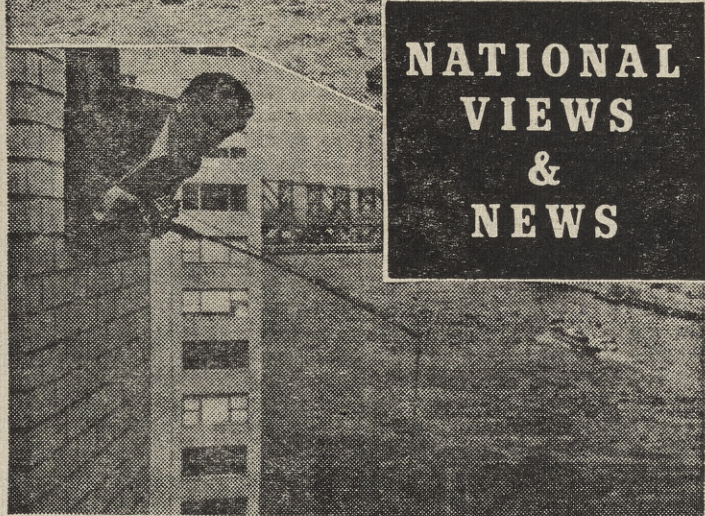

Construction crews of the Sierra Pacific Power Co. are building a high voltage power line from the lakeshore along Village Blvd., main north-south street of the new community, as first unit of the distribution system. Previously the only power line serving Crystal Bay was the one following the shoreline and serving the few homes along the beach.

The new construction will first provide power for a sawmill installed by the Bear River Lumber Co. to convert trees from street clearing operations to lumber. It is being located along the future main thoroughfare, however, so that it can also serve new residential subdivisions and commercial areas as they are developed.

FIRE SYSTEM TRIED OUT IN TAHOE AREA

CRYSTAL BAY—Pressure and volume tests of the new fire protection system at Incline Village, were successfully completed recently, it was announced by Crystal Bay Development Co.

Tests were conducted by Chief Doug Ingram of the Crystal Bay Fire Department. Serving as observers were officials of the company developing the new residential and resort area on Nevada's north shore of Lake Tahoe, and representatives of contractors

who installed the system.

First tests were made in the Lakeshore subdivisions of Incline Village, along Shoreline Circle and Lakeshore Blvd. Later tests are in progress in the Ponderosa section of the development, along Pinon Dr., Ponderosa Ave., Lodgepole Dr. and Silvertip Dr.

NOTICE OF SALE OF PROPERTY DELINQUENT FOR NON-PAYMENT OF BOND NUMBER 10, ISSUED FOR THE IMPROVEMENT OF LAKEVIEW ASSESSMENT DISTRICT, TAHOE CITY PUBLIC UTILITY DISTRICT, TAHOE CITY, CALIFORNIA.

DEFAULT HAVING BEEN MADE in the payment of the following named coupons January 2, 1960 Principal Coupon No. 1 \$87.27, January 2, 1960 Interest Coupon No. 2 \$23.98 and July 2, 1960 Interest Coupon No. 3 \$21.58 and the holder of said bond having demanded in writing that the Treasurer of Tahoe City Public Utility District proceed to advertise and sell the lot or parcel of land mentioned in said bond;

NOW THEREFORE, I HEREBY GIVE NOTICE that I will, on the 2nd day of December, 1960, at the hour of 2 o'clock P. M. of said day, sell at public auction the lot or parcel of land mentioned in said bond, or so much thereof as may be necessary, at Tahoe City Public Utility District Office unless the amount due on said bond, and accrued interest thereon, together with the costs of publication, are paid; and I will so sell the same to the person who will take the least amount of said lot or parcel of land, and pay the full amount of the unpaid principal and interest on said bond, together with costs of publication. The lot or parcel of land mentioned in said bond, and to be sold, is more particularly described as follows, to wit:

LOT 9, LAKEVIEW SUBDIVISION NO. 1.
The amount due on said bond, up to date of notice, is as follows: Due on the principal amount thereof, \$132.83; due on account of interest, \$12.66 (interest, calculated and computed semi-annually, compounded up to the date of this notice, at the interest rate specified in the bond), and the sum of \$145.49 due on account of penalties. The total amount due on said bond is therefore \$145.49.

In order to avoid this sale, payment of the total amount above named will be required, together with costs of publication made before such payment, and the additional interest accruing up to the date of payment. Bond may be reinstated upon payment of amounts due, interest, penalties, and fees, in the manner provided by law.

In the event of sale, such sale will include interest, in addition to the above total amount due, accruing up to the date of sale, the costs of publication of notice of sale, and \$1.00 for the issuing of certificate of sale. The Sierra Sun, Truckee, California is hereby designated as the newspaper in which this notice shall be published.

Dated: November 14, 1960.

FLYING CLUB WILL TAKE NEW MEMBERS

The Truckee-Tahoe Flying Club was formed in accordance with the Civil Air Patrol in July, under the supervision of the C.A.P. Squadron Commander 1st Lt. John E. Houlgate.

The elected officers for the club are: Thomas Coster, president; James B. Catlin, Jr., vice president; James B. Brumfield, secretary; James Clark, treasurer; and William W. Grimm, operations officer.

A two-place 1947 Aeronca Champ was purchased at the formation of the club and used as the training ship. There have been six members solo thus far, and more expected to do so soon. The interest in flying in the Truckee-Tahoe area has become great enough to allow the club to purchase another aircraft, a 1948 four-place Stinson Station Wagon recently majored and recovered, with low total time on the air frame.

This plane has allowed the club to open the memberships for another 15 people interested in flying or learning to fly. This airplane will be used for cross-country flying and instrument training for more advanced students, and those who have a private license. There are still nine memberships available at this time. All persons in the Lake Tahoe area interested may call Tom Coster at Juniper 3-3050. People in the Truckee area may call Jim Brumfield at LUther 7-3811 between 8 a. m. and 5 p. m.

"I should never have looked back..."

When your eye wanders off the road, your car can follow it!
Remember when horses wore blinders to keep them from being distracted? Maybe drivers ought to wear them—to keep their eyes and their minds fixed on the road ahead. Maybe this would keep them from killing themselves or others because of simple inattention! Last year, nearly 37,000 died in traffic accidents. Many just drove off the road or into trees—because they weren't looking! So when you drive, look alive—and stay alive!

Where traffic laws are strictly enforced, deaths go DOWN!

SAFE DRIVING URGED BY HEAD OF PATROL

California Highway Patrol Commissioner Bradford M. Crittenden today applauded efforts to stress the moral aspects of motor vehicle operation as a prelude to the observance of Thanksgiving.

"As Californians prepare for the annual celebration which traditionally denotes gratitude for blessings of the previous 12 months, it would seem appropriate to ask that they reflect for a moment on their responsibilities to maintain safe driving practices," he said.

"The use of California streets and highways carries with it the charge to observe the rules of the road, and to respect the rights of the other driver."

"Sober judgment, unflinching courtesy, constant awareness—these are the traits of the driver who realizes that the lives of others may depend on his actions. This driver, indeed, recognizes his moral responsibility on the road."

Sixth Army headquarters are at the Presidio of San Francisco.

PERMANENT WATER COMMISSION ASKED

SACRAMENTO — (CNS) — The California-Nevada Interstate Compact Commission, a temporary board for four years in a meeting here Friday, voted to recommend a permanent commission be organized, called the Interstate Compact Commission and have a board of 11 members.

The 16-man commission recommended the permanent body should contain five members from each state and one federal government representative who would serve as chairman and who could not be a resident of either state.

The commission also agreed, in principle, to a depletion concept in the Lake Tahoe basin and a water quality and pollution control theory in the basin.

The temporary commission was set up to discuss water rights in the involved water sheds.

California's five representatives on the permanent committee would be composed of the director of water resources, and one resident from each of the four areas most concerned — Lake Tahoe basin, Truckee River basin, Walker River water shed and Carson River water shed.

Edmund Muth, secretary of the temporary board and Nevada state engineer, proposed the Nevada representatives on the board represent the Walker River water shed, the Truckee-Carson water sheds (two), one at large delegate to represent domestic and municipal users and the Nevada director of conservation and natural resources.

The commission set up a committee to consider a minor amendment to the depletion concept but agreed on all other facets.

PLAN WOULD BOOST AUTO LICENSE FEES

SACRAMENTO — (CNS) — The state senate transportation committee has heard some more details on a proposal that could boost costs of the annual automobile license renewal by an average of \$7.22 for every vehicle in California.

It's a plan that, if approved by the 1961 legislature would provide an additional \$66 million in 1962 for distribution to the cities and counties for work on roads and streets. It would mean an increase of \$107,943 in the annual amount of money apportioned to Nevada County and its cities.

The county and cities received \$337,143 from the highway user taxes in 1959-60. With the increase, this amount would be \$445,086. Of the increase, \$88,125 would go to the county, while the cities would receive \$19,818.

Before motorists get too jumpy, of course, it should be noted the tax increase is a long way from being in effect. If introduced by the committee, it must gain approval of both houses of the legislature and be signed by Governor Edmund G. Brown.

Brown has stated flatly on several occasions he would ask for no new taxes in the 1961 session. He even had hinted there might be on outside chance for a slight tax reduction.

COUNTIES TO SHARE IN FOREST RECEIPTS

In a few days the department of agriculture will announce distribution of 25 per cent of our national forest receipts to local county governments.

This will mean nearly \$5,200,000 in revenues for the counties of the second congressional district.

One fourth of all forest receipts are returned directly to the counties from which they originate. By law half of this money must be deposited in the county school service fund and the balance in the local county road improvement fund. This means that nearly \$2,600,000 in federal forest receipts will be spent on construction and maintenance of local county roads.

In counties where so much land is government owned as is true in the second congressional district, it is only right that the federal government should meet its obligations in this manner.

Here is a county by county breakdown of the amounts to be distributed soon to county road improvement funds:

Alpine, \$56,650; Amador, \$26,450; Butte, \$33,250; Calaveras, \$24,500; El Dorado, \$178,650; Inyo, \$11,000; Lassen, \$129,000; Mariposa, \$25,000; Modoc, \$98,300; Mono, \$13,100; Nevada, \$29,950; Placer, \$4,700; Plumas, \$308,700; Shasta, \$156,150; Sierra, \$75,350; Siskiyou, \$514,450; Tehama, \$91,950; Trinity, \$412,750; Tuolumne, \$329,400.

STATE FAR BEHIND IN AIRPORT PROJECT

SACRAMENTO — (CNS) — The California Aeronautics Commission said the state is 20 years behind in needed airport development, with a current need of \$224 million in capital outlay to bring the state abreast of the times.

Clyde P. Barnett, director of aeronautics for the state, said the need no longer is for refinement of the large international type airports but is for creation of new and improved air facilities to serve business and industrial needs of smaller cities.

Barnett said a CAC survey showed that 66 per cent of requests for federal aid originated from the smaller counties and cities for facilities for general aviation.

The federal government has participated in airport development on a matching-fund basis up to \$5.6 million a year, Barnett said, but there are indications such federal assistance may be discontinued. He said the CAC statewide survey showed cities and counties have earmarked some \$97 million for airport development when federal funds become available.

Plan Trip—
Mr. and Mrs. Ben Lobnow are planning a later trip to southern California.

NOVEMBER HELD AS BAD DRIVING MONTH

The arrival of November triggered a special plea from California Highway Patrol Commissioner Bradford M. Crittenden for that "added bit of caution so necessary during the months when weather conditions conspire to complicate the driver's task."

November is a month of extreme danger, he pointed out. "Last year, November proved to be the worst month for traffic fatalities during 1959. A total of 376 were killed."

"December was little better. In the last month of 1959, 343 persons were killed."

The pedestrian total hit its 1959 high point in November, when 88 were killed. The December figure was nearly as high, with 80 pedestrians meeting their death.

"During the last two months of 1959, a total of 719 were killed, far more than the 598 who died in an average two-month period last year."

"Adverse weather and fewer daylight hours obviously put the driver at a disadvantage. Slippery streets and inadequate visual conditions call for alert, cautious vehicle operation," he said.

"The conscientious driver also will check his windshield wipers, tires, lights and brakes to insure peak operation during these dangerous months."

"While careful driving is an attribute we can all afford to be without in any month of the year, it takes an added measure of awareness to be a truly safe driver during winter months."

Maritime experts have estimated that every ship now afloat in the world could be anchored in San Francisco Bay, its contiguous bays and straits.

WHAT KIND OF GIRL WILL GRIBB ENNIS LEAD TO THE ALTAR?? CONTINUED NEXT WEEK--

Archie

by BOB MONTANA

COACH! OUR TEAM NEEDS A MASCOT TO HELP US WIN GAMES!

THE WAY YOU BOYS ARE PLAYING... YOU NEED A MIRACLE!

SAY! I KNOW A FUNNY-LOOKING MASCOT WITH BIG TEETH THAT VERONICA CAN LEAD AROUND ON A LEASH!

BUT WE NEED ARCHIE ON THE TEAM!

WHAT DO Y'SAY, COACH?

OKAY, BUT YOU'LL HAVE TO GET IT CLEARED BY THE PRINCIPAL!

SIR... ARCHIE BROUGHT A MASCOT IN FOR THE BASKETBALL TEAM!

I HOPE IT'S A KANGAROO... IT CAN JUMP CENTER!

IT'S A BEAVER!

GET ARCHIE!

IT ESCAPED! I HAD IT IN A WOODEN CAGE!

YOOST LOOK AT MY COAL SHOVEL!

MY DESK COLLAPSED!

SO DID THE GYM BLEACHERS!

YOU SHOULD SEE THE WOODWORKING SHOP!

SPREAD OUT! FIND THAT BEAVER!

BEFORE THE SCHOOL IS A PILE OF SHAVINGS!

WE CAUGHT HIM! HE'S TIED UP OUT ON THE LAWN!

THANK HEAVENS! THERE'LL BE NO MORE DAMAGE!
